Latest Political Bulletin From Mayor's Headquarters Announces

Definite Withdrawal.

Republicans who still retain their loyality to the Glasmann organization, metwith the mayor last evening to further discuss the plans in regard to the mayor's nomination for a third term. Considerable discussion was had on the subject, after which the announcement was made that the mayor had decided to withdraw from the race. It is stated that this action on the part of Glasmann is final notwithstanding the agreement which was reached at the meeting held Thursday last, when the mayor decided to make the fight. His action somewhat clears the political atmosphere so far as the Republican mayoralty nomination is concerned, although it is reported that the Glasmann mayoralty nomination is concerned, although it is reported that the Glasmann men will endeavor to secure some candidate agreeable to that faction. The names mentioned at present are Chief of Police Thomas E. Browning has already announced that he is not a candidate and last night affirmed this statement. The friends of Councilman T. H. Carr are much pleased over the mayor's, latest stand and the situation at the present time is highly favorable to their candidate.

County Board of Education to Bring Action Against Trustees.

The transfer of property and moneys from the old trustees of the county schools to the new county board of education occupied the greater portion of the session of the latter heid yesterday. Chairman Joseph Stanford of the board of county commissioners met with the board and later County Attorney Hulaniski was called into the consultation. It was finally decided that the board should take decided action in the matter at once in the way of mandamus proceedings. This question involves two pieces of school property and three different funds, held by the old trustees, who maintain that they have no right to transfer the same on account of being no longer in office.

The question of grading the North Ogden schools was discussed at length, but no definite action was taken. The East Huntsville school building was reported to have been sold to the bishopric of the Middleton ward for \$600. It was also decided to let the contract for the furnishing of the lump and nut coal that will be delivered to the different schools from Ogden. eation occupied the greater portion of the

JUDGE BEATTY'S INSTRUCTIONS TO THE JURY.

(Special to The Herald.) Boise, Ida., Sept. 30.-Today in the federal court a jury returned a verdict \$6.102 for timber cut from government lands in the vicinity of the mining camp of Pine in Elmore county. The case has aroused great interest, because of the instructions given the jury as to what constitutes mineral land within the meaning of the statute authorizing the cutting of timber on such lands for domestic purposes. Baker and Ander son claimed that they were on mineral land. There have been numerous cases of this kind here, the government being

uniformly beaten.

In one of the first of these cases some years ago. Judge Beatty instructed the jury that "the law includes as mineral lands not only tracts in which Joseph A.
